Richard Taittinger Gallery will be hosting "Experimental Berlin" at the gallery's New York City location.

The exhibition will feature an installation representing the radiant Berlin art scene, with works by some of the city's best artists including Claudia Chaseling, Gregor Hildebrandt, Renaud Regnery, Henning Strassburger, and Nathan Peter. The works included for the show explore through various applications of painterly materials and forms, analysis of industrial techniques and social appropriations by these featured artists. It will provide a comprehensive window into the art scene of Berlin's unique and joyous aesthetics, examining diverse practices of the city's second generation of artists. The selected works combine intuitive and reflexive thoughts revealing an international panorama that continues to grow within the city, and influencing contemporary artists worldwide.

The exhibition will be on view from September 9 through October 15, 2017 at Richard Taittinger Gallery, 154 Ludlow Street, New York, NY 10002, USA.
